THE COURSE

Wintonbury Hills Golf Course — located in Bloomfield, Connecticut, just 15 minutes from Hartford — is a beautifully conditioned course in a peaceful and relaxing setting. The course represents Pete Dye's first championship design in New England. The 6,711-yard, par-70 layout has a combination of open links-style and traditional tree-lined holes to provide golfers a challenging and enjoyable round of golf. Consistently heralded as one of the top courses in Connecticut, Wintonbury Hills is at the top of everyone's "must play" list.

From the moment you arrive, the friendly and professional staff will provide a private club experience to annual pass-holders and guests alike, at a surprisingly affordable price for a Pete Dye masterpiece. We look forward to providing you with the first-class service you deserve each and every visit.
